

TABLE 2

Average Test Scores for Applied, Accepted and Enrolled Degree-Seeking Graduate Students

|                   | GRE         |            |          | GMAT        |     |
|-------------------|-------------|------------|----------|-------------|-----|
|                   | Available N | Avg Verbal | Avg Math | Available N | Avg |
| <b>Masters</b>    |             |            |          |             |     |
| Applied-Completed | 195         | 431        | 516      | 125         | 461 |
| Accepted          | 135         | 441        | 537      | 78          | 487 |
| Enrolled          | 89          | 440        | 527      | 49          | 478 |
|                   |             |            |          |             |     |
| <b>Doctoral</b>   |             |            |          |             |     |
| Applied-Completed | 1 *         | *          |          |             |     |
| Accepted          | 1 *         | *          |          |             |     |
| Enrolled          | 1 *         | *          |          |             |     |

\* Since there is only one doctoral student applied, accepted and enrolled in Spring 2009. For confidential reason, the student's scores are not published.
