

## UNDERGRADUATE ADMISSIONS HIGHLIGHTS FALL 2013

In Fall 2013, 13,012 students applied for admission to Montclair State University as new freshmen. Montclair State University accepted 65% (8,500) of these applicants. Thirty-six percent (3,040) of those accepted enrolled in classes (**see Table 1**). The average combined SAT score was 1,016 for accepted full-time, first-time freshmen, regardless of admission type, and 1,001 for those who enrolled. The average class rank was 68 for accepted students and 65 for enrolled students.

Table 7 shows 62% of enrolled full-time, first-time freshmen were female. Of those who disclosed their race/ethnicity information, 11% were Black/African American, 25% were Hispanic and 52% were White. Four percent indicated they were two or more races. Additionally, a little over 1% were international students. Ninety-seven of full-time, first-time freshmen resided in New Jersey. The highest population of full-time, first-time enrolled freshmen came from 3 counties: Essex, Passaic (12% each) with the leading county being Bergen (16%).

Sixty percent of enrolled first-time, full- and part-time transfer students were female. Of those students who disclosed their race/ethnicity information, 5% were Asian or Pacific Islander, 13% were Black/African-American, 26% were Hispanic and 48% were White. A little over 3.5% indicated they were two or more races. Nearly 4% were international students. Sixty-five percent of newly enrolled transfer students transferred from New Jersey public community colleges. Over half of the New Jersey community college students came from three community colleges in particular: Bergen Community College (25%), Essex County College County (12%) and College of Morris (11%).

In summary, 4,518 new undergraduate students started MSU in Fall 2013. New transfer students made up 33% of all new students, followed by new freshmen at 67%.
