Includes students who graduated prior to September. Therefore, students who graduate in January are considered graduating in five years.

Graduation rates are cumulative; thus, the most recent graduation rate includes those who graduated in prior semesters.

Totals include all students while subsets may have missing information; therefore, subset numbers may not add to the total.

International students are not separated in these figures.

Source: Institutional Research Office; Fall 1992-Fall 1997 cohorts are reconstructed from SURE enrollment files. Fall 1998-Fall 1999 are constructed from the fall semester frozen extract files.
