*Includes students who graduated prior to September. Therefore, students who graduate in January are considered graduating in five years.
 Graduation rates are cumulative; thus, the most recent graduation rate includes those who graduated in prior semesters.
 Community colleges enrollments vary from year to year, therefore some colleges may not be listed for a particular year.
 Source: Institutional Research Office; Fall 1997 cohorts are reconstructed from SURE enrollment files.
 All other cohorts are constructed from the fall semester frozen extract files.
