TOTAL	1,754	81.8%									

*Graduation rates are cumulative; thus, the most recent graduation rate includes those who graduated in prior semesters.

Totals include all students while subsets may have missing information on gender; therefore, subset numbers may not add to the total.

Source: Institutional Research Office; Fall 1994-Fall 1997 cohorts are reconstructed from SURE enrollment files.

All other cohorts are constructed from the fall semester frozen extract files.
