[1] Faculty headcounts are made following IPEDS guidelines, and include individuals on leave with pay (e.g. on sabbatical) while excluding individuals on unpaid leave. All headcounts reflect currently filled positions, and exclude vacant, or unfilled, positions.

[2] Abbreviations used for full-time faculty are: 1) TE=tenured; 2) TT=on tenure track; 3) NTT=not on tenure track; and 4) SAB=on sabbatical. Part-time faculty include those in salaried positions and non-salaried Adjuncts/Visiting Specialists (ADJ/VS). Adjuncts and Visiting Specialists may teach in more than one Department, but are counted in only one (i.e., the ADJ/VS headcount is unduplicated).

[3] The FTE (full-time equivalent) count equals the total number of full-time faculty, plus 1/3 the total number of part-time faculty (salaried and adjunct/visiting specialist).

[4] The tenure rate is calculated by dividing the number of tenured faculty (TE) by the total number of full-time positions, including sabbatical positions.

[5] The full-time faculty count includes 1 Distinguished Visiting Professor who is counted in the rank of Professor.
