[1] Terminal degrees include both Doctoral degrees and selected Master's degrees (e.g. MFA, MM, MBA/CPA, etc.).

[2] Percentages include non-resident aliens who are members of racial or ethnic minority groups. There are currently 24 non-resident aliens employed as full-time faculty members. These figures will vary from racial/ethnic percentages reported to State and Federal agencies, since those agencies require that non-resident aliens be reported separately (i.e., they are NOT counted among African-, Asian-, Hispanic-, or Native-American populations).
