**Initial Major (1)**

the earliest SORLFOS Major that appears for the application's academic period

**Final Major (2)**

Names of majors that appear on a student's final applications (e.g. If a student is not accepted into the initial major of "Musical Theatre", the initial major may be converted to "Undeclared" or another final major into which the student is accepted.)

**Applied (3)**

Numbers who applied to the respective initial or final major

**Accepted (4)**

Names of majors that appear on a student's final applications (e.g. If a student is not accepted into the initial major of "Musical Theatre", the initial major may be converted to "Undeclared" or another final major into which the student is accepted.)

For "Final Majors", the number represents those accepted into the final major.

For "Initial majors", the number represents those accepted into the university, though not necessarily into the initial major (e.g. for the Musical Theatre initial major: 528 applied and 469 were accepted, however, the 469 were accepted into various "final majors" including 47 for Musical Theatre.)
