

Graduation reports has been renamed completions

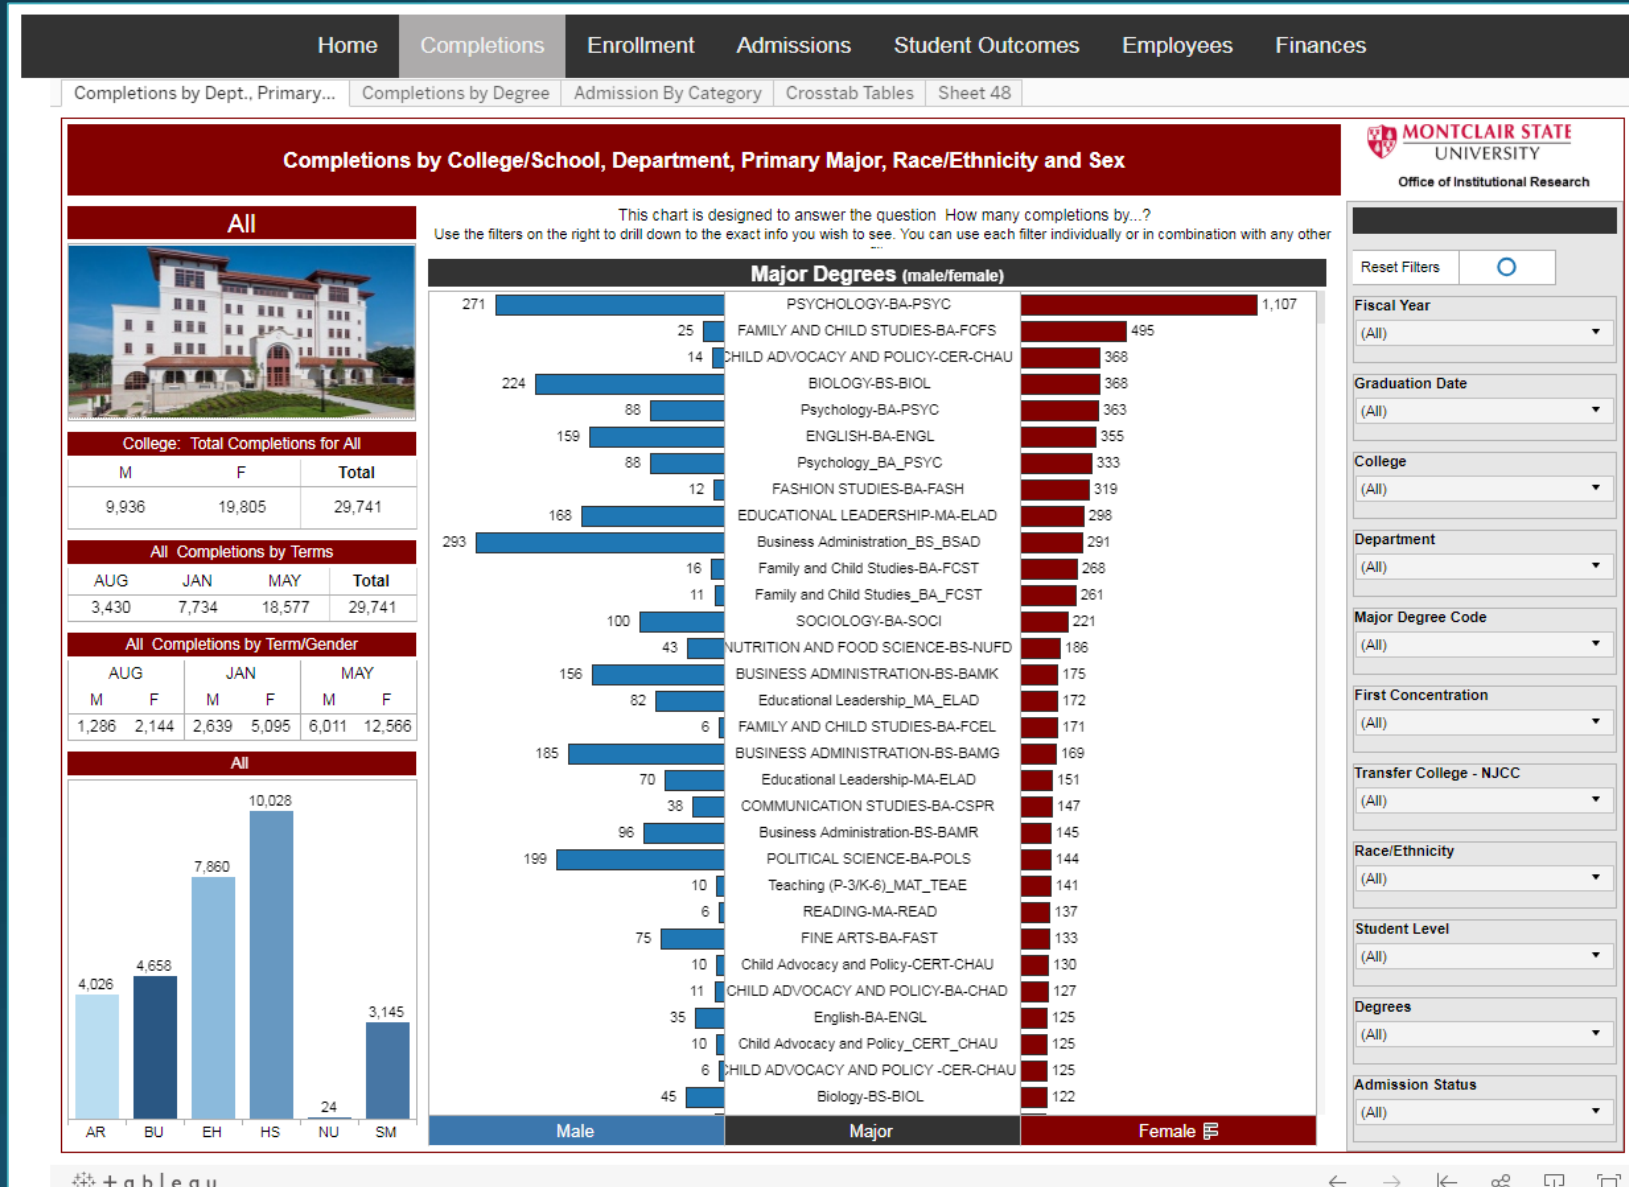

Please note that the Graduation Report has been renamed “Completions.” This is to accurately describe the data contained in the report. Completions contain certificates completed, which differ from a degree completed.

How the tabs work

Tabs show completions by department, degree, admission of student by category, and the crosstab tables, which shows the data in tabular format

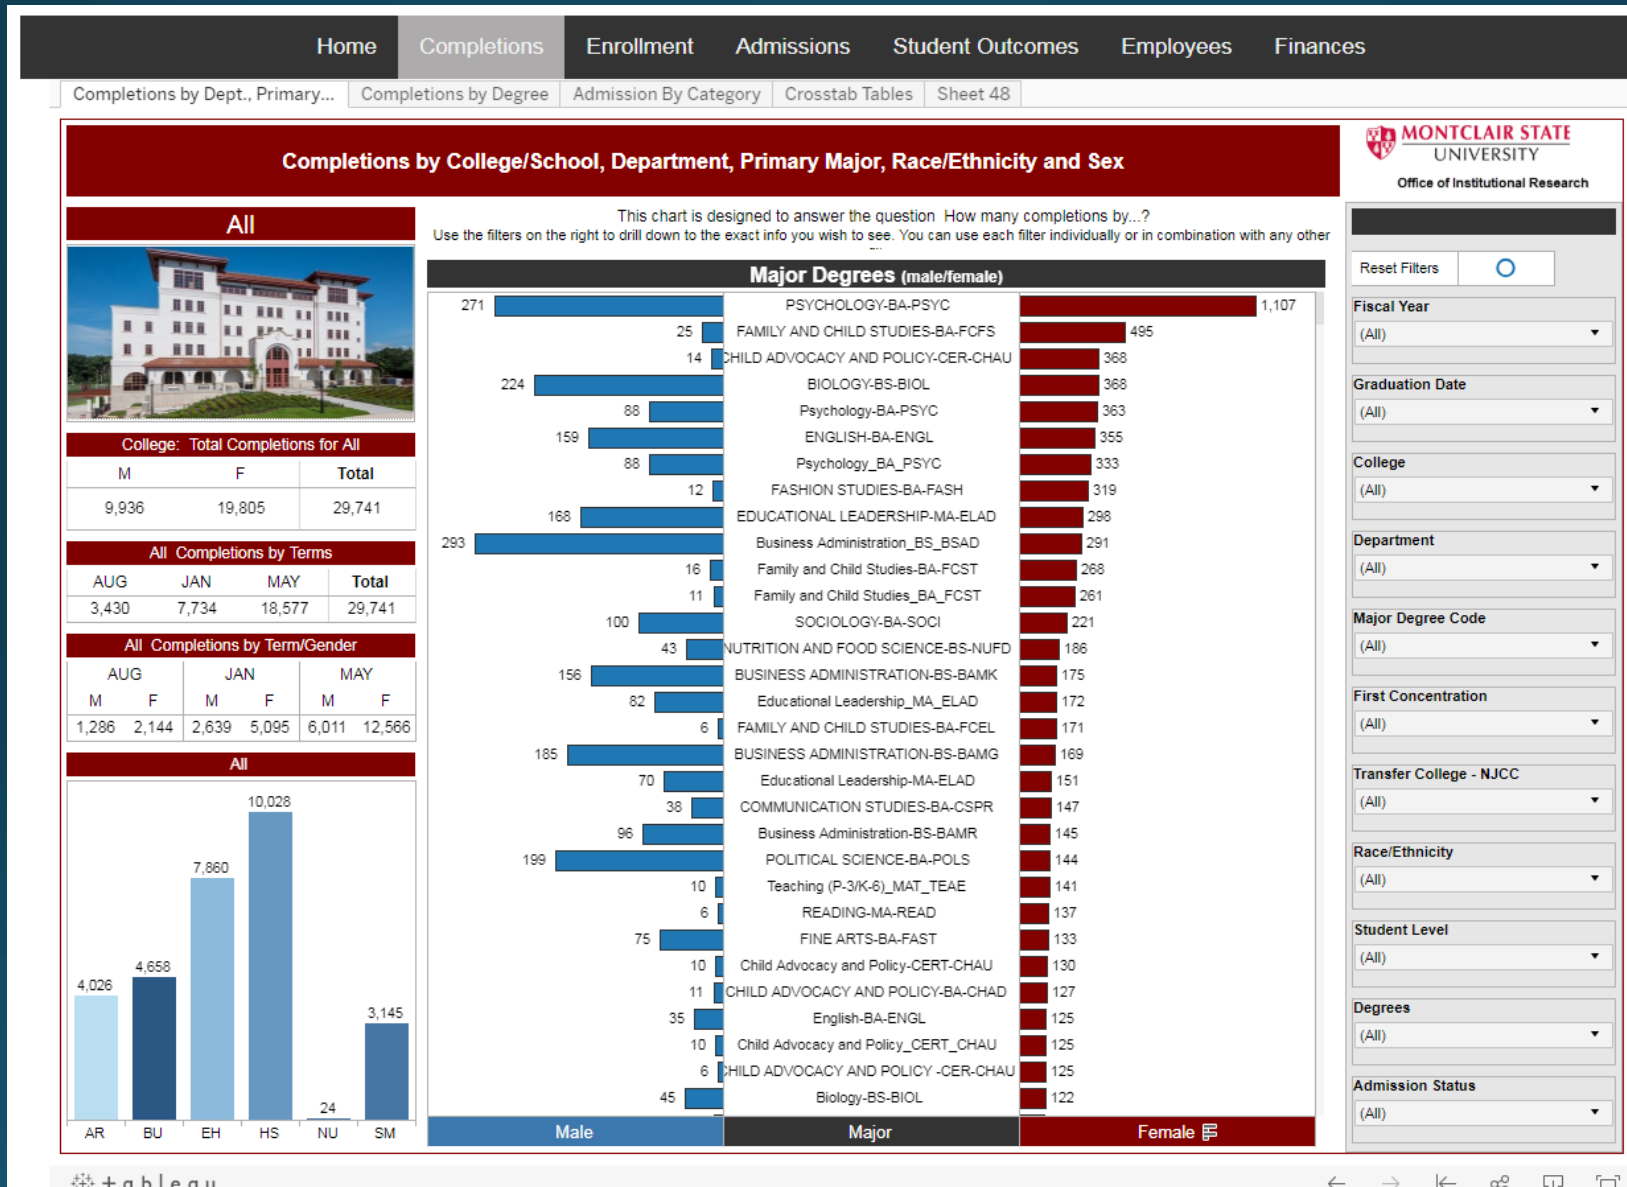

How to use the filters

Hit the circle to reset filters and return to seeing all data
